PHVA Workshop for the Namibian Cheetah and Lion

Executive Summary

Section 1. Introduction and Overview

Page

Introduction	1
The PHVA Process	2
The Namibian Cheetah	3
The Namibian Lion	4
The PHVA Workshop - Day One	6
Identified problems and needs - Ministry	8
Identified problems and needs - Farmers with lion problems	8
Identified problems and needs - Farmers with cheetah problems	9
Identified problems and needs - Conservationists	10
Identified problems and needs - Scientists	11
Continuation of the PHVA process - Overview of Working Group Activities	12
Summary of Working Group Recommendations	13
Cheetah	13
Lion	18

Section 2. Working Group Reports - Cheetah

Wild Management Goals and Strategies	26
Livestock and Human Interaction with Predators:	
Communication and Education	29
Life History / VORTEX Modeling	35
Disease	81
Genetics	89
Captive Populations	92

Section 3. Working Group Reports - Lion

Management Goals and Strategies	96
--	-----------

Livestock and Human Interaction with Predators:	
Communication and Education	99
Life History / VORTEX Modeling	104
Disease	137
Genetics	143
Captive Populations	145

Section 4. Appendices

Appendix I.	Statement by His Excellency, President Sam Nujoma	149
Appendix II.	Speech of the Minister of Environment and Tourism, Honorable G.J. Hanekom	152
Appendix III.	List of Workshop Participants	155
Appendix IV.	Ode to the Otjiwarongo, Cheetah and Lion Workshop (Frans Ferrera)	163
Appendix V.	Development of a Genome Resource Bank for Cheetah and Lion in Namibia	164
Appendix VI.	Development of a Management Plan for Captive Cheetah in Namibia	169
Appendix VII.	Quarantine and Translocation Guidelines Namibian Predator Examination Forms	172 174
